

## Group Safety

Rainbow camp's climbing tower and high ropes course have been designed according to standards set by Project Adventure, Inc and the Association for Challenge Course Technology. Project Adventure has been the leader in designing outdoor courses since 1971.

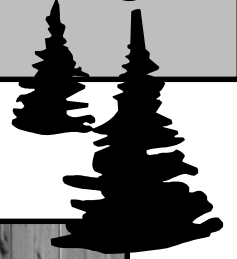

## Location

Rainbow Camp is located 1 and 1/2 miles north of the Converse Fairgrounds and Trotting Track on County Line Road (1000 W) at 350 N. It can be reached from Highway 18 on the east edge of Converse. Take County Line Road north out of town. From Highway 13, take 300 N or 400 N west to County Line Road.

## Rainbow Christian Camp Group Initiatives Program

**Team-building activities**  
**Low ropes course**  
**High ropes course**  
**Climbing wall**

## Group Activities

- Icebreaker games
- Team building games
- Problem solving initiatives
- Low ropes course
- High ropes course
- Climbing wall
- Debriefing

## Group Initiatives Program

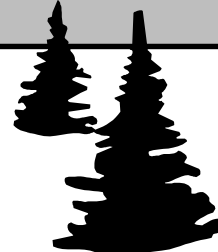

The Group Initiatives Program is more than just a series of fun activities. The day begins with icebreaker games and then, the group moves on to more challenging activities that require cooperation and communication. Finally, the group heads out to the forty-five foot climbing tower. While many individual victories are attained, initiatives get your entire group working together more effectively. The team experiences create an atmosphere of trust and encouragement.

Everyday obstacles are gone, but swings, cables, ropes, and trees take their place. The only way to overcome these obstacles is through teamwork, which means everyone has to get involved. Each member of the team is vital. Every opinion is worthwhile and every person in the group makes a difference. When the group comes together, the results are incredible!

## Group Goals

- Grow closer
- Gain self-confidence
- Set growth goals
- Think creatively
- Make decisions as a team
- Identify strengths and weaknesses
- Develop conflict resolution skills
- Communicate more effectively
- Find new solutions to old problems
- Think outside normal boundaries

Goals and activities will be tailored to suit the needs of each group.
