## **Rainbow Christian Camp Internship Program**

### **Purpose:**

The Internship Program of Rainbow Christian Camp is to provide leadership experience, training, mentoring, and spiritual growth while serving along side of the staff at RCC. We desire to see all young people grow and experience what it means to live Bible Based, Christ Centered, and Mission Minded lives in this world.

This program is designed to help raise up a generation that desires to transform the kingdoms of this world into the Kingdom of God.

### **Design:**

This is a multi-level program with each part leading progressively into the next. While each level is not considered a prerequisite to the next, it is preferred that participants be involved in all levels.

The Three Levels are:

Level 1: High School Summer Staff

Level 2: Summer Internship/ Summer Staff

Level 3: Year-round Internship

### **Level 1: High School Summer Staff – Grades 11-13**

The goal of this program is to provide students in grades 11 through 13 with leadership and mentoring relationships with experienced staff and/or interns. High School Summer Staffers will function as support staff to other summer and year-round staff, focusing mainly on housekeeping, belaying, and lifeguarding. There will also be an emphasis on their own spiritual growth through mentoring and personal devotion time.

This program begins the first of June and continues through the first week of August. Students will live with other high school and college-age interns throughout the duration of the program and will be expected to work Monday through Friday each week unless previously arranged.

## **Level 2: Summer Staff Internship – College-Age**

This program aims to provide a greater level of responsibility and exposure to the ministry of Rainbow Christian Camp. As a part of the Summer Staff Internship program, students work in a variety of areas of camp, focusing mainly on programming, maintenance, and housekeeping.

Summer staff interns are key members of the staff that help to implement and plan programming at RCC. They also work with volunteer and guest groups. As a part of the Summer Internship Program the interns will be encouraged spiritually through fellowship with other staff, weekly Bible Study, and personal devotion time.

This is a full-time seasonal job starting the middle of May and ending the middle of August. Interns will be expected to raise full support for their time at Rainbow Christian Camp, but they will be provided with housing and meals. Summer Staff meet each morning to receive assignments and work detail. The end of the day varies from day to day depending on job completion, programming needs, and other activities.

## **Level 3: Year-Round Internship – High School Graduates and Above**

This is a year-round commitment with an emphasis on faith building and a mission focused approach to life. The goal of this program is to provide an opportunity for growth in the intern's personal walk with God and in leadership development. Throughout the two years, the intern is expected to observe RCC's Sabbatical Policy of one hour a day, one day a month, and one week a year in Sabbatical.

Year one of the internship consists of working state-side with the year-round staff at RCC. Interns work in a variety of areas of the camp such as programming, maintenance, outreach, office, food service, and guest services.

Year two of the internship includes eight months overseas working in a cross-cultural setting and being mentored by missionaries on the field. Interns will be placed with missionaries that have a heart for mentoring.

Participants in this program are expected to raise full support for this internship. The program runs annually from mid-September to mid-August.
