

Next Generation Pathway

"Paving a Legacy of Faithfulness"

This is the time and the place to honor our past and pave the way for future generations. Since the establishment of the camp in 1948, thousands of men and women have invested themselves in prayer, sweat and tears and impacted the lives of the thousands of young people who have been forever changed because of time spent in God's presence at camp. These men and women helped pave a legacy for generations to come.

The "Heritage Walkway" honors our past and paves the way for future generations by establishing paved walkways across the camp. Paving will give campers with disabilities greater access to the camp, and serve the next generation of Christian leaders and professionals. Visitors will view the inscribed bricks as a reminder of the "cloud of witnesses" that have gone before them and paved a legacy of faithfulness for them to follow.

Personalized bricks are a great way to display honor and leave a legacy.

- Alumni campers
- Family and friends who have served at camp: former summer staff, deans, faculty, kitchen workers, board members and their families
- People who have served in ministry and missions
- Churches and church groups
- Schools and business partners
- Soldiers who served to protect our personal freedom
- God's Word – print your favorite scripture reference
- Community professionals such as police, firefighters, and various medical caregivers
- Others who have left a legacy of faithfulness

The "Heritage Walkway" Bricks

Engraved bricks will be embedded in each section of the pathway as a permanent legacy of Rainbow Christian Camp.

8"x8" – Engraved with 4 lines - \$500

4"x8" – Engraved with 2 lines - \$250
